

COMMUNITY SERVICE PROJECT REPORT

On

Awareness on Future

Under the guidance

Of

Prof. P. Ramana Reddy

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY (AUTONOMOUS)
ANANTHAPUR COLLEGE OF ENGINEERING ANANTHAPURAMU.

2024-25

ACTIVITY LOG FOR FIRST WEEK

DAY	ACTIVITIES DONE	MY LEARNING OUTCOMES
27/05/2025	Today I decided to give awareness on higher education for the students in my village.	I have known that many students doesn't know what to choose after 10 th class.
28/05/2025	Today, I explored the various opportunities available after 10 th grade.	I have known that many opportunities are present according to the interest of the students.
29/05/2025	Today , I interacted with students who have finished their 10 th class, discussing their experiences and future plans.	Many students have their own goals but, doesn't know the right path, so I explained about the various opportunities after 10 th grade.
30/05/2025	Today I have explored the paths based on students goals.	I have learned that there are more chances that are present after Intermediate .
31/05/2025	Today I have interacted with other students who completed their Intermediate	I have known that many students are confused to choose branches in engineering. So I explained the subjects that are present in particular branch.

WEEKLY REPORT

WEEK-I

- 1. Firstly, our team decided to give awareness on future for the students who has completed their 10th and intermediate.**
- 2. I have decided to give awareness on higher education and I have decided to interact with the students who are present in my village. And to know about the goals and paths they are choosen after completion of their 10th or intermediate.**
- 3. I came to know that many students are confused to choose right path and many of them doesn't know the opportunities that are present after 10th and intermediate.**
- 4. So I decided to explain them the chances and opportunities that are available for them. And the paths they have to choose based on their goals.**
- 5. Lastly, I came to know that students got clarity and they decided their goals and paths.**
